VICTORIA · AUSTRALIA PENINSULA MORNINGTON

OFFICIAL GOLF TOURING MAP

The Mornington Peninsula is quickly gaining national and global recognition as a golf destination the equal of anywhere in the world. A bold statement perhaps, but golf enthusiasts keen to experience the best are discovering that the combination of courses, their accessibility, their variety and the sheer number of them (18), provides a package that is hard to resist.

With sand-hills and the coastal hinterland providing the perfect natural conditions for golf courses, world famous architects have delighted in the opportunity to work with mother nature to create wonderful examples of links, resort and traditional courses.

The Mornington Peninsula is blessed with courses that both challenge and excite, courses that provide the most exhilarating views over Port Phillip and Westernport Bays and Bass Strait, courses with turf quality that rivals that of the famed Melbourne sand belt and courses where the sign 'Visitors Welcome' is right at the top of the list.

You simply cannot play golf in any other area in Australia that has everything the Mornington Peninsula has to offer: world class wineries, fine dining and accommodation, spas and wellness centres, boating, fishing, national parks, and bay and surf coast beaches.

The Mornington Peninsula Australia's premier golf tourist destination.

Established in 1973 and located in the 'Heart of the Peninsula', Devilbend course provides a great day's golf on a course that has couch fairways, automatic watering and excellent greens. It is a challenging 18 hole 5998m course set amidst a flora and

Over the past ten years the capital works program has been implemented with the result that the course has improved in all areas. Each hole provides magnificent views of undulating countryside and provides a variety of challenges for all golfers.

The club and its players are widely respected in district and state competitions. Facilities include a driving range, practice nets and a large practice putting area. The clubhouse is renowned for its friendly atmosphere. The golf shop is equipped for all your needs, and lessons can be arranged with the professional staff. Bookings are required and dress standards apply.

Set on 300 acres of gently rolling sand dunes, the 27 hole golf facility at The Dunes is Australia's premier public access course. The success and popularity of The Dunes is a direct reflection of the course layout. Designed by Tony Cashmore, The Dunes achieved the very difficult objective of being a challenge to handicapped golfer. The tournament course is 6464 metres and accolades include being ranked as #17 in Australia and voted #1 public access course in Australia by readers of "Golf Australia Magazine". The 9 hole Cups course is a delightful par 33 and very popular with junior and local residents.
